

REWARD MY STUDENTS

2019/2020
Teacher Handbook

HELLO!

We want to express our gratitude for
all the teachers out there like you!

That's why we made a program that benefits you AND your
students, because we know how much you care about them, too.

LET'S GET STARTED!

SIGNING UP

What you need to know

SIGNING UP

(100% free of charge)

Sign up by July 1st each year.

We provide a bunch of goodies inside a packet that will be mailed to you before or during the month of August.

The packet includes:

- Your VIP teacher buffet pass
- An incredible wall poster and flyer
- Several sheets of coupons for your students
- An informational letter for parents/caregivers

What about late registration?

You can still join the program! However, supplies are limited, so we can't guarantee that we'll have enough packets to send out once the deadline has come and gone.

You will still receive a VIP teacher buffet pass and have access to all of the packet contents online.

RESOURCES

Let's elaborate a little

RESOURCES

VIP Teacher Buffet Pass

You're entitled to one free pass each month to access our unlimited 150+ item food and drink buffet. The pass can be used from **August through May** and will be hole punched each time you visit.

Poster

We provide an 18" x 24" wall poster for student names to be written on in recognition of their achievements.

Flyer

The flyer provides an overview of the RMS program along with information about booking field trips at Incredible Pizza.

Student Coupons

You will have access to student coupons that recognize your friends for a job well done. There are rewards for a variety of achievements, which they can redeem for \$5 in game play credit at your local Incredible Pizza.

Parent/Caregiver Letter

The last thing you need are parents calling in asking all kinds of *questions*. This letter explains the who, what, when, where, why, and how so that you don't have to.

These are available all year long via:

incrediblepizza.com/reward-my-students

FAQ

Answers to Frequently Asked Questions

FAQ

Are homeschool teachers able to sign up?

Absolutely. In the past, homeschool teachers could sign up but did not receive the VIP teacher buffet pass (we didn't know how to ask for teacher verification). We surveyed our teachers and found that it's more important to be inclusive.

How do I redeem my monthly VIP buffet pass?

Simply arrive at Incredible Pizza and give the cashier your pass, which will be hole punched each month that you pay us a visit. We do require verification that you are a teacher, which usually looks like a school ID badge or paystub. If you have another method in mind, then your entry will be determined at the cashier's discretion.

What if I run out of coupons?

Impossible! Everything that is included in the program is available all year long via this link:

[incrediblepizza.com/reward-my-students](https://www.incrediblepizza.com/reward-my-students)

Why do I have to sign up every year?

We know that signing up is just *one more thing* to have to remember, but there are so many reasons! One among them is that we want to make sure your information stays up to date. Sometimes teachers transfer to another school -- we wouldn't want to send a packet to an empty desk, right?

Where will I receive mail from Incredible Pizza?

You'll receive mail at the address that you provide during signup.

What do I do if I have more questions?

You can always call our contact support center at [1-844-334-5124](tel:1-844-334-5124), reach out to us via chat on our website, or catch our attention on social media!
